"A teaspoonful of Dr. Caldwell's Syrup Pep-sin each night at bedtime has done me a world of good, as I am 62 years old and was getting badly constipated. I had previously taken a lot of salts and pills without real relief." (From a letter to Dr. Caldwell writ-ten by Mr. A Forester Princes Ann. Md.) ten by Mr. A. Forester, Princess Anne, Md.)

Constipation is one of the penalties of age that should never be neglected—Dr. Caldwell's Syrup Pepsin is a combination of simple laxative herbs with pepsin that relieves constipation in an easy, natural manner, without griping or strain, and is as positive in its effect as it is mild and gentle in its action.
